Wire Transfer Agreement

We will not be liable to you if we do not act upon or delay acting upon any wire transfer order if any of the following circumstances occur:

- Legal order.
- Emergency situation.
- Interruption of communication.
- Equipment failure.
- War.
- Other circumstances beyond our control.
- Potential violation of any government regulation.

If you provide us the name and account number of the individual you wish to receive the funds, we and other financial institutions may process the wire transfer based on the account number alone, even if the account number identifies a person other than the person you name. If you provide the names and numbers of the receiving financial institution(s), we and other financial institutions may process the wire transfer based on the financial institutions identifying number alone, even if the number identifies a financial institution other than the one you name. If the correct person does not receive payment, you are still obliged to pay us the amount of your wire transfer fee.

If we receive your wire transfer order after our cutoff time we will process your order the next business day. We reserve the right to reject wire transfer orders with no liability to you and with no obligation to pay you interest for the period before you receive notification. If we reject your wire transfer order we will notify you orally or in writing.

Once we have received your wire transfer order you have no right to change it or cancel it. WE may make a reasonable effort to accommodate your request but we are not liable to you for failure to make changes or cancel the order. You agree to pay us any costs or losses we incur in our attempt to change or cancel your wire transfer order.

Wire transfer orders will be listed on your normal periodic statement. You must notify us at once if you think there is an error. You must send us a written statement of facts no later than 21 days from the date your statement was mailed.

If you are requesting a wire transfer to be sent outside the United States, you understand you do so at your own risk. The credit union will not be liable for any reason if the funds are not received or misapplied during the wire transfer process.

The credit union will not be liable for consequential damages in the event that loss is sustained because it has failed to carry out instructions in a reasonable manner.
